Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 3 below.

1. On 06/27/2013, the U.S. Court of International Trade dismissed the case of Union Steel, LG Hausys, Ltd., and LG Hausys America, Inc. v. United States (Ct. No. 12-00073). As a result of this decision, the injunction to which message 2089306, dated 03/29/2012, refers enjoining liquidation of entries which are subject to the antidumping duty order on corrosion-resistant carbon steel flat products (CORE) from Korea for the period 08/01/2009 through 07/31/2010 produced and/or exported by LG Hausys, Ltd. dissolved on 06/27/2013.

 3. These instructions constitute notice of the lifting of suspension of liquidation of entries of subject merchandise covered by paragraph 2. Accordingly, notice of the lifting of suspension occurred on the message date of these instructions. The antidumping duty order on CORE from Korea was revoked effective 02/14/2012 (see message number: 3094303, dated 04/04/2013).
 4. Liquidation instructions for entries produced and/or exported by Union Steel will be addressed in a separate message.

 6. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the

required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Upon assessment of antidumping duties, CBP shall require that the importer provide a reimbursement statement, as described in section 351.402(f)(2) of Commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter, to be reimbursed antidumping and/or countervailing duties, CBP shall double the antidumping duty and/or increase the antidumping duty by the amount of the countervailing duties in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.

8. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984.
